Specialists in Music for MEDIAEVAL BANQUETS
and other Musical Occasions

is an independent trio of musicians experienced in providing entertainment for Mediaeval Banquets and other themed events.

Since the group was formed in 1995 we have found a steady stream of work in a selection of prestigious venues ranging from regular Corporate and daytime work at Warwick Castle, Blenheim Palace, Hotels, and Army camps in darkest Yorkshire.

We have performed for Weddings at Caerphilly, Duns and Southsea Castles, Tythe barns in the Home Counties and other Civic and Historic venues.

In addition to private banquets and weddings we have been involved in events such as “The Robin Hood Festival” in Sherwood Forest, and other Corporate hospitality events throughout the UK.

We are more than a group of musicians, we are entertainers as well, and can drag audience participation out of reluctant guests whether with song, dance or humour, whatever suits the occasion.

We can also provide music and call for a few medieval dances to add an extra dimension to the event.

All members provide vocals, and we use the following instrumentation:

Keith:

Crumhorn, Rauschpfeifen, Recorders, Guitar
Whistles, Mandolin, Tibl, psaltery and 5 string Banjo

John:

Cittern, Guitar, Mandolin, English Concertina

Maryse:

Guitar, Mandola, Bodhran, Bones and other percussive instruments.

The group has also recently acquired a set of Mediaeval Pipes and a Hurdy Gurdy.
